Follow-up Information

Follow up with Pediatric Resource Center. Call in 1 day.
Specialty: Pediatrics
Contact information:
530 Ne Glen Oak Ave
Peoria IL 61637-0001
309-624-9595
Additional information:
Please arrive 15 minutes early to complete registration paperwork. Bring your insurance card and any payments or co-payments. Bring all medications you are currently taking in their original bottles. In an effort to protect your identity and the accuracy of your medical records we ask that you please bring a photo ID to your appointment so that we can verify that the appropriate person is receiving care.

No follow up was necessary if none was indicated.

Discharge Instructions

Call the pediatric resource center tomorrow for follow-up exam for concern for possible abuse Friday morning at 8:30 am for an appointment. Dr. Petrak believes you will be able to be seen tomorrow.

Return to the ER if you have any new concerns in the future or see signs of trauma.

OSF myHealth Activation Information

For Parents / Legal Guardians: If you already have OSF myHealth proxy access to your child, certain information from this hospital stay will be available to you after discharge. You can log in to see some lab results, the hospital after discharge summary, and medication list.

If asked about setting up proxy access at the hospital: I'm sorry, we are unable to set up proxy access for you right now. We're working on adding that feature. If you already have an OSF Physician, you can set up proxy access to view your child's information at your doctor's office.
